Brian Henshaw
Branch Manager – Mitchell, Popes Electrical & Data Supplies
9/160 Lysaght Street, Mitchell ACT 2911

Dear Brian

Donation of electrical equipment.

I would like to take this opportunity to thank Popes Electrical & Data Supplies at Mitchell for the the kind donation of electrical equipment.

The equipment will be used to train and assess apprentice electricians studying towards the Certificate III in Electrotechnology Electrician – UEE30820 and also for the apprentices to build, use and keep ‘resistor box’ testing equipment.

Thank you for your generosity and support.

In appreciation,

Sincerely,

Ben Murphy
Proprietor
