

### Benefits & Features

- **Flexibility:** Tri-colour, multi-watt selectable and dimmable for versatile lighting options
- **Efficiency:** Up to 140Lm/W for cost & energy savings and sustainability
- **Visual Comfort:** Flicker-free technology for reduced eye strain
- **Reliability:** 3 years warranty and >15,000 hours lifetime (L80B10) for peace of mind

### Applications

- **Residential & Commercial:** Pendants, table lamps, floor lamps, etc.

### Product Data

Order Code	Wattage	Colour Temperature	Lumen Output	Cap Type	Dimensions (exH)	Fitting Colour
111007	8/6W	6500K/4000K/3000K	1000/800Lm	E27	60x114mm	White
111008	8/6W	6500K/4000K/3000K	1000/800Lm	B22	60x113mm	White
111009	10/7W	6500K/4000K/3000K	1400/1000Lm	E27	60x114mm	White
111010	10/7W	6500K/4000K/3000K	1400/1000Lm	B22	60x113mm	White

[1] Voltage: 220~240V  
 [2] Operating Temperature: -20°C to +45°C  
 [3] Power Factor: 0.9  
 [4] Beam Angle: 200°
